# Vickers Laboratories Ltd - Safety Data Sheet

(in accordance with regulation (EU) 2015/830 and regulation (EC) 1272/2008)

Revision: 1.1

Revision date: Date printed: 16 April 2021 03 February 2023

003

# Section 1. Identification

| Product Identifier                  | 0038  |
|-------------------------------------|---|
| Product Name                        | SULPHANILIC ACID pure   |
| CAS Number<br>REACH Registration No | 121-57-3<br>A registration number is not available as the substance or its uses are exempt, the<br>annual tonnage does not require a registration or the registration is envisaged for a<br>later date. |
| Molecular Formula                   | NH <sub>2</sub> C <sub>6</sub> H <sub>4</sub> SO <sub>3</sub> H =173.19   |

#### 1.2 Relevent identified uses of the substance or mixure & uses advised against

Uses of Material Chemical for industrial and laboratory use. Not suitable for domestic use.

### Section 2. Hazards Identification

#### 2.1 Classification of the substance or mixture

#### Classification according to regulation 1272/2008/EC

Skin corrosion/irritation, category 2 Serious eye damage/irritation, category 2 Skin sensitization, category 1 H315: Causes skin irritation.H319: Causes serious eye irritation.H317: May cause an allergic skin reaction.

#### 2.2 Label elements

#### Labelling according to regulation 1272/2008/EC

Signal word

Hazard Pictograms

Warning

1

#### Hazard Statements

Causes serious eye irritation. Causes skin irritation. May cause an allergic skin reaction.

Precautionary Statements

Wash thoroughly after handling. Wear protective gloves / protective clothing / eye protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do and continue rinsing. If eye irritation persists: Get medical advice/attention. If skin irritation occurs: Get medical advice/attention.

### Section 3. Composition

#### 3.1 Substances

| Component        | CAS No.  | EEC No.   | REACH No. | Conc w/w | CLP Classification (1272/2008/CE)         |
|------------------|----------|-----------|-----------|----------|---|
| Sulphanilic acid | 121-57-3 | 204-482-5 |           | >99%     | Skin Irrit. 2, Eye Irrit. 2, Skin Sens. 1 |
|                  |          |           |           |          |   |

### Section 4. First Aid

#### 4.1 Description of first aid measures

| Eyes                                 | Irrigate thoroughly with plenty of water for at least 10 minutes, holding the eye open. If discomfort persists OBTAIN MEDICAL ATTENTION. |
|--------------------------------------|--|
| Skin                                 | Wash off skin thoroughly with water. If discomfort persists OBTAIN MEDICAL ATTENTION.  |
| Inhalation                           | Remove from exposure.  |
| Ingestion                            | Wash out the patients mouth thoroughly with water. Do not induce vomiting. OBTAIN MEDICAL ATTENTION.                                     |
| Personal protection for first aiders | Wear protective gloves / eye protection.   |

4.2 Most important symptoms and effects, both acute & delayed.

No further relevant information available.

#### 4.3 Indication of any immediate medical attention and special treatment needed.

No further relevant information available.

### Section 5. Fire Fighting

#### 5.1 Extinguishing media

| Extinguishing Media | Consider what other flammable materials are present and act accordingly. |
|---------------------|--|
| Unsuitable Media    | Nothing specified.   |

#### 5.2 Special hazards arising from the substance or mixture

Hazards

May evolve toxic fumes if involved in a fire.

#### **5.3 Advice for firefighters**

Advice for firefighters

Evacuate area immediately. Keep up wind. Avoid exposure to toxic vapours and fumes. Fire-fighters should wear protective clothing and breathing apparatus.

### Section 6. Accidental Release Measures

| Personal Protection          | Avoid breathing dust. Use approved personal protective equipment. Evacuate area immediately. Do not allow general use of area until it is safe to do so. |
|------------------------------|--|
| 6.2 Environmental precaution | Dns  |
| Enviromental                 | Notify the Environmental Agency and local Environmental Health Officer if major spillage occurs.   |
| 6.3 Methods and material fo  | r containment and cleaning up  |
| Major Spillage               | Shovel/sweep up into container for removal Wash area down with copious amounts of water.   |
| Minor Spillage               | Wash area down with copious amounts of water.  |

#### 6.4 Reference to other sections

See section 8.2 for information on protective equipment and section 13 for information on disposal.

### Section 7. Storage & Handling

#### 7.1 Precautions for safe handling

Avoid contact with skin and eyes. Do not breath dust. Do not allow to contaminate clothing.

Ensure Local Exhaust Ventilation maintains dust concentrations to a minimum.

#### 7.2 Conditions for safe storage, including any incompatibilities

Well ventilated, cool, dry storage . Protect against moisture to prevent decomposition and corrosion.

#### 7.3 Specific end use(s)

See section 1.2.

### Section 8. Workplace Exposure & Personal Protection

#### 8.1 Control parameters

| Component        | CAS No   | Concentration | Workplace Exposure Limits |           |              |              |
|------------------|----------|---------------|---------------------------|-----------|--------------|--------------|
|                  |          |               | Long Term                 | (8hr TWA) | Short Term 1 | 5min period) |
| Sulphanilic acid | 121-57-3 | >99%          | -                         | -         | -            | -            |

Exposure data source(s) No occupational exposure data currently available.

#### 8.2 Exposure controls

| <b>Respiratory Protection</b> | If process creates significant amounts of dust use L.E.V. or wear suitable dust mask.                              |
|-------------------------------|--|
| Hand Protection               | Wear gloves.   |
| Eye Protection                | Use tightly fitting chemical splash proof glasses or goggles.  |
| Skin Protection               | Avoid contact with skin. If skin contact or contamination of clothing is likely, protective clothing must be worn. |
| Special Hazards               | No special precautions required.   |

# Section 9. Physical & Chemical Properties

#### 9.1 Information on basic physical and chemical properties

| Appearance            | White crystalline powder.              |
|-----------------------|--|
| Odour                 | No specific odour.                     |
| pH                    | 2 @ 20°C                               |
| Boiling Point         | Not available                          |
| Melting Point         | Decomposes before Melting              |
| Flash Point           | Not applicable                         |
| Upper Flammable Limit | Not applicable                         |
| Lower Flammable Limit | Not applicable                         |
| Auto Ignition         | Not applicable                         |
| Explosive Properties  | No.                                    |
| Oxidising Properties  | No.                                    |
| Vapour Pressure       | Not applicable                         |
| Relative Density      | 1.486                                  |
| Water Solubility      | 12.51 g/L Completely soluble in water. |

#### 9.2 Other information

No data available.

### Section 10. Stability & Reactivity

10.1 Reactivity

No data available.

- **10.2** Chemical Stability Stable under normal conditions
- **10.3** Possibility of hazardous No data available.
- **10.4** Conditions to Avoid No specific conditions.

reactions

- **10.5** Incompatable Materials Strong oxidising agents.
- **10.6** Hazardous Decomposition May produce hazardous fumes if involved in a fire. Products

# Section 11. Toxicological Information

#### 11.1 Information on toxicological effects

| Eyes       |            | Contact with the solid or dust will be irritating to the eyes.  |
|------------|------------|---|
| Skin       |            | Contact with the solid or dust may be irritating to the skin. Repeated exposure may cause dermatitis.   |
| LD50 Skin  |            | Not available   |
| Ingestion  |            | Low order of acute toxicity.  |
| LD50 Oral  |            | 12300mg/kg Rat  |
| Inhalation |            | Prolonged exposure to dust or fume concentrations above the occupational exposure limits will produce irritation of the eyes and respiratory tract. |
| LD50 Inhal | ation      | Not available   |
| TCLo       |            | Not available   |
| Carcinogen | icity      | Not considered to be a carcinogen.  |
| Mutagenici | ty         | Not considered to be a mutagen.   |
| Reproducti | ve Effects | None identified.  |

# Section 12. Ecological

| 12.1 | Toxicity                         | Small amounts present no specific environmental hazard. |
|------|----------------------------------|---|
|      | LC50 Algal                       | Not available   |
|      | LC50 Crustacea                   | Not available   |
|      | LC50 Fish                        | Not available   |
| 12.2 | Persistence and degradability    | No data available.                                      |
| 12.3 | Bioaccumulative potential        | No data available.                                      |
| 12.4 | Mobility in soil                 | No data available.                                      |
| 12.5 | Results of PBT & vPvB assessment | Assessment not required.                                |
| 12.6 | Other adverse effects            | None known at present.                                  |

# Section 13. Disposal Considerations

### 13.1 Waste treatment methods

Disposal MethodsDispose of in a licensed incinerator.Contaminated PackagingWash out containers with water. Use a licensed waste disposer.

### Section 14. Transport Information

| 14.1 | UN Number                    | Non-restricted                   |
|------|------------------------------|----------------------------------|
| 14.2 | Proper Shipping Name         | Non-restricted                   |
| 14.3 | Transport classes            |                                  |
|      | UN classification            | None                             |
|      | Subsidiary hazard(s)         | None                             |
|      | Transport category           | None                             |
|      | ADR Hazard ID                | Non-restricted                   |
|      | Tunnel Restriction Code      | Non-restricted                   |
| 14.4 | Packing Group                | None                             |
| 14.5 | <b>Environment hazards</b>   | See section 12.                  |
| 14.6 | Special precautions for user | No special precautions required. |
| 14.7 | Transport in bulk            | Not transported in bulk.         |

# Section 15. Regulatory Information

15.1 Safety, health and environment regulations specific for subtance/mixture.

| Classification, Labeling & Packaging of Substances & Mixtures Regulations (1272/2008/CE) |  |
|--|--|
| Classification   | Skin corrosion/irritation, category 2; Serious eye damage/irritation, category 2; Skin sensitization, category 1   |
| Signal word  | Warning  |
| Hazard Pictograms  |  |
| Hazard Statements  | H319, H315, H317<br>Causes serious eye irritation. Causes skin irritation. May cause an allergic skin reaction.  |
| Precautionary Statements   | P264, P280, P305+P351+P338, P337+P313, P332+P313<br>Wash thoroughly after handling. Wear protective gloves / protective clothing / eye protection. IF IN EYES: Rinse<br>cautiously with water for several minutes. Remove contact lenses if present and easy to do and continue rinsing. If<br>eye irritation persists: Get medical advice/attention. If skin irritation occurs: Get medical advice/attention. |

#### 15.2 Chemical safety assessment

Assessment not required.

### Section 16. Other Information

The information contained in this document only covers the hazards presented by this material, it DOES NOT constitute a workplace risk assessment. See sections 11 for toxicological information and section 12 for ecological information.
